

PARTNER SEARCH

Overall Aims and Project Outcomes:

AGEL Research is a member of AGEL, the largest private medical group in Central Europe. Our company operates hospitals, outpatient clinics, distribution companies, NGOs, a medical management system developer and a research entity (more information [HERE](#)). Into the projects, we would like to contribute mainly our extensive patient database and inputs of our expert practitioners.

AGEL in numbers:

- 15 hospitals
- 7 outpatient clinics
- 5 300 beds
- 170 000 in-patients per year
- 2 000 000 out-patients per year
- 9 218 employees

We are looking for partners and/or coordinators for research collaborations. We offer:

- Research experience
- Access to a diverse pool of patients
- Team of expert practitioners in the fields of Oncology, Biochemistry, Cardiology, Paediatrics, Geriatrics, Neurology, Gastroenterology, Internal Medicine, Orthopaedics, Surgery, and more
- Ability to cover projects from the research stage to market implementation
